FREE SAMPLE CURED OLD PERSON'S BOWEL TROUBLE

One of the most remarkable proofs of the unusual laxative merit contained in Dr. Caldwell's Syrup Pepsin is that it is effective not only in people in the prime of life, but at the extremes of ages. As many letters are received from mothers regarding the cures of children, as from men and women of sixty, seventy and eighty years of age. It must be truly a wonderful laxative.

In the cure of constipation and bowel trouble in old people it has no equal. It corrects the constipation, dispels the headache, biliousness, gas, drowsiness after eating, etc. People advancing in years should see to it that their bowels move freely, and if they do not take Dr. Caldwell's Syrup Pepsin. You can prolong your life by healthy bowel action. Clogged bowels invite disease. Women about to pass the menstrual period cannot do better than use Syrup Pepsin several

times a week until the system has settled to its future condition.

Among the strongest supporters of Dr. Caldwell's Syrup Pepsin are Mr. W. G. Zorn of New Decatur, Ala. and Mr. George S. Spaulding of the National Soldiers' Home, Kansas, both elderly men. The regular size bottles can be bought of any druggist at fifty cents and one dollar, but a free sample bottle can be had by sending your address to the doctor.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him Dr. W. B. Caldwell, 541 Caldwell building, Monticello, Ill.

Frederick Drosel, 1238 East Second street, Maysville, Ky., says:

"I consider Doan's Kidney Pills to be a most excellent remedy for kidney trouble and am only too glad to speak in their favor. About five years ago I was bothered by weak kidneys and the secretions from these organs were scanty and attended with pain during passage. Sharp twinges across the small of my back were common and at times greatly interfered with my work. On telling a friend of my condition, he advised me to use Doan's Kidney Pills and I procured a box at J. J. Wood & Son's Drugstore. I used them according to directions and they afforded me prompt relief."

APPEAL TAKEN

Cincinnati Enquirer.

An appeal from the decision of Bankruptcy Referee Whittaker confirming the sale of the dental parlors belonging to Dan M. Wood, bankrupt dentist of this city, was filed yesterday in the District Court by Thomas M. Russell of Maysville, Ky.

On November 21 last Dr. V. B. Crumbaugh, a dentist of this city, bid in the property for \$3,075, which was beyond the appraised value, for Russell. When it came to confirm the sale Russell contended that he was not the purchaser. Furthermore he contended that if Crumbaugh was acting for him it was without authority to do so, and that as soon as he, Russell, learned that the property had been purchased in his name he repudiated it. Russell furthermore asserts that should he be held to be the purchaser under the pretended agency of Crumbaugh that he will not be able to secure all that he purchased, nor will the Court be able to give it to him, in that the largest item in connection with the place of business was the good will of the going con-

cern. This item, it is claimed, has been ruined on account of present and further threatened litigation. He asks, therefore, that the Court order the sale set aside.

IRON IN THE BLOOD

is an essential element to health.

When it is insufficient or lacking, there is a dearth of red blood corpuscles, which causes anemia and a run down condition of the entire system, with consequent bodily weakness.

In order to restore the blood to a healthy condition, iron must be supplied in an easily assimilated form. We guarantee this may be done by Vinol, our delicious cod liver and iron tonic, made without oil.

This combination of two world-famed tonics restores to the blood, the elements lacking to make rich, red blood, which imparts strength and vitality to every organ in the body.

J. Edmund Miller of New Haven, Conn., says their little girl had been frail and sickly ever since her birth. Vinol was recommended and they tried it, and immediately noticed an improvement in her condition. They continued its use and it built her up, until they cannot recommend it too highly to build up a weakened system. John C. Pecor, Druggist, Maysville, Ky.

She stood beneath the mistletoe,
A poodle in her arms;
I thought her very sweet, you know,
And much admired her charms,
But when I made a dive for Grace,
To steal a kiss, you see,
She poked that poodle in my face—
Oh, gee! Oh, gee! Oh, gee!

NEDDIE CONNORS DEAD

Neddie Connors, one of the most noted and valuable stallions in Mason county, died Saturday night. Dr. W. H. Hord, owner, valued him at \$20,000, and while the loss is a personal one to Dr. Hord, the death of this celebrated stallion will be regretted by every breeder in Mason county. Neddie was a high-class horse and his kind were few and far between.

That is the reason that our patrons never swerve from our yard when wanting to lay in their supply of coal. There is nothing to risk, for our coal is standard in quality and low in price.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system; thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for anyone that it fails to cure. Send for list of testimonials.

Is the Tuberculosis Crusade Losing Ground?

Despite all the efforts being made by advocates of fresh air and egg-and-milk regimens, the number of new cases has not been noticeably decreased.

Write to us and ask to be referred to Jergymen, Priests, men and women who took Eckman's Alternative and are today well and strong without a trace of tuberculosis—pronounced so by physicians. Some of them took the Alternative 10 years ago when doctors said they would not live 10 weeks.

Could anything be fairer to yourself and those who love you and would do nothing to restore you to health? If you are skeptical—investigate us, our medicine, our advertised statements. Write to those who have sent in affidavits and testimonials telling how Eckman's Alternative cured them. Here is one:

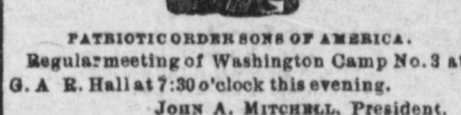

5323 Girard Ave., Philadelphia, Pa. Gentlemen: "In the winter of 1903, I had an attack of Grippe, followed by pneumonia and later by Consumption. I grew steadily worse. In the winter of 1904 I had cough, night sweats, fever and "used quantities of awful looking stuff and later, I had many hemorrhages; at one time, three in three successive days. Milk and eggs became so distasteful I could keep nothing down. Three physicians treated me. I was ordered to the mountains, but did not go. Eckman's Alternative was recommended by a friend. After taking a small quantity I had the first quiet night's sleep for weeks. My improvement was marked from the first. I gained strength and weight and appetite. I never had another hemorrhage and my cough gradually lessened until entirely gone. I am perfectly well. Everything I say here can be verified by my family and friends."

(Signed Affidavit) Annie Floyd Loughran. Eckman's Alternative cures Bronchitis, Asthma, Hay Fever, Throat and Lung Affections. Ask for booklet of cured cases and write to the Eckman Laboratory, Philadelphia, Pa., for additional evidence. For Sale by all leading druggists and J. James Wood & Son in Maysville.
